

# CORRECTING CAULIFLOWER

Directions: Using the sentences below, rewrite each sentence with the proper punctuation marks and capitalization. Then, number each sentence in order to make a story.

1. finally he let jean and i taste the cauliflower
2. Yesterday i visited a cauliflower farm with my friend jean
3. after he picked it he washed it right away
4. it was so much fun can I tell you about it
5. First jean and i saw the farmer plant the cauliflower
6. then we saw him pick the cauliflower that was ready

Below, number the sentences in order so that when read in sequence, it makes a story.
