# COUNTING SEEDS

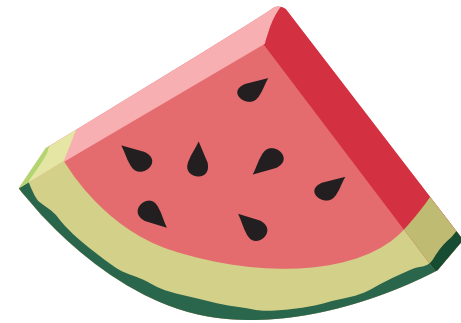

Directions: Count out how many seeds each watermelon slice has and write that number in the box provided. Then fill in the blanks to complete the equations.

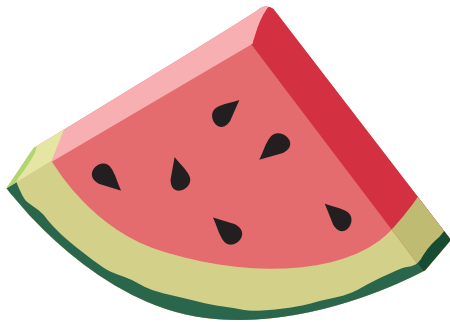

$$3 + \underline{2} = \boxed{5}$$

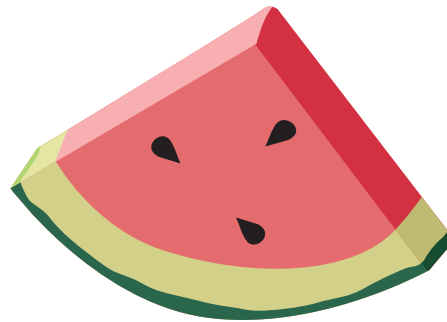

$$10 - \underline{2} = \boxed{8}$$

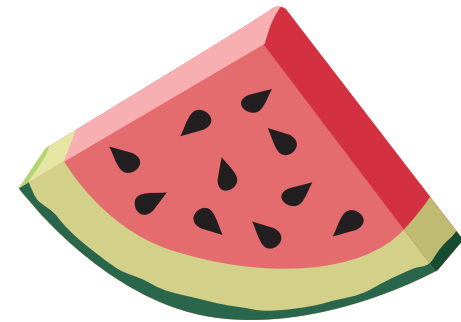

$$8 - \underline{1} = \boxed{7}$$

$$2 + \underline{4} = \boxed{6}$$

$$1 + \underline{2} = \boxed{3}$$

$$6 + \underline{4} = \boxed{10}$$
